

August 2012 – broadcast email: Mastin Seeds in London

Hello all,

Bob has become actively involved in supporting Action Talent Inc. While at the Olympic Trials in Calgary he met Connie deBoer (President of Action Talent) as well as many athletes. It was apparent a lot of the athletes live hand-to-mouth just for a chance to get to the Olympics and he wants to help in any way he can. If you are interested in assisting these dedicated athletes, please have a look at the Action Talent website: Actionsportsmanagement.ca.

Attached is an article that appeared in the Sundre Round Up July 24. As well pictures from Connie deBoer, from London, with the sponsored athletes wearing Mastin Seeds hats.

We wish all the Canadian Athletes the very best!!

Terry
