Alberta and British Columbia Pedigreed Seed Growers Directory of Varieties Produced in 2011

Grower listings were prepared by the Canadian Seed Growers' Association for varieties eligible for sale in Canada and crops issued certificates at the time of publication. Breeding institution and distributor listings were prepared by the publisher. CSGA assumes no responsibility for errors or omissions in any listings. Pedigreed class code is listed after the grower's phone number. S=Select; F=Foundation; R=Registered; C=Certified. BI=Breeding Institution; Dist.=Canadian Distributor(s)

✓ Cerveza and Merit 57 have the highest yield by a wide margin with both at 109% of AC Metcalfe. The next closest are Major, a sister line to Cerveza, and the alternative category malt variety CDC Yorkton at 106% of AC Metcalfe. Previous year's data was equal to or slightly more flattering to Cerveza.
