

**SUNDRE BARLEY WINS PRESTIGIOUS AWARD** - Sundre's Bob Mastin, right, accepts the prestigious Seager Wheeler Award at the Seager Wheeler Seed Show, held in conjunction with Crop Production Week in Saskatoon last month. Sundre won in six-row barley category. Winning samples, including Sundre's, are displayed for a year at the Seager Wheeler Farm, a National Historic Site located at Rosthom, Saskatchewan. Mastin explained that Wheeler was instrumental in supplying Canadian wheat to the UK during the First World War.
